

## Guide du fonctionnaire

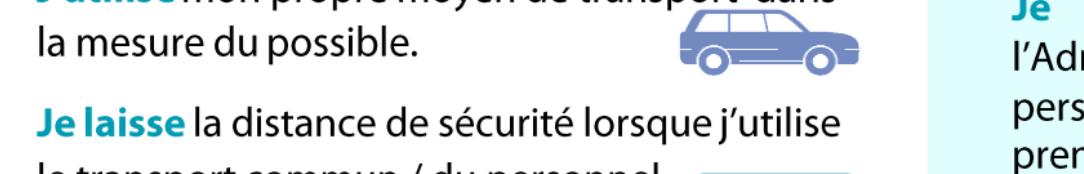

### Pour la prévention du Covid-19

#### 1- Avant d'aller au travail

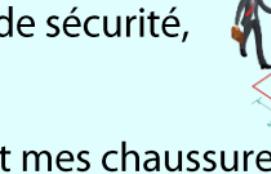

**Je mesure** ma température et m'assure de l'absence de symptômes du virus, comme une forte fièvre, une toux sèche et d'autres symptômes.

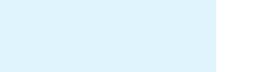

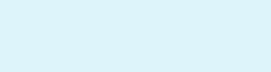

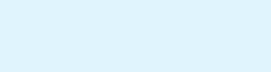

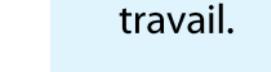

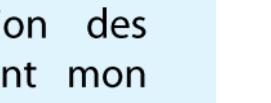

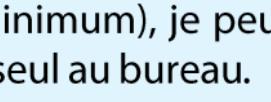

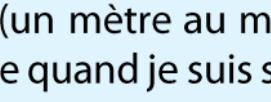

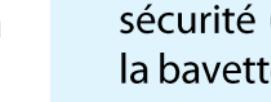

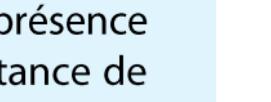

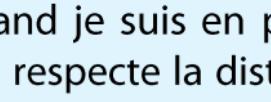

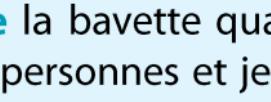

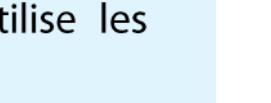

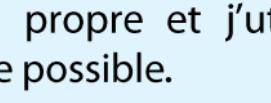

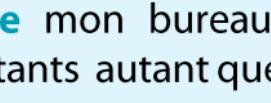

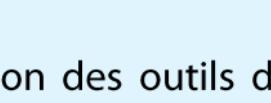

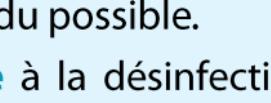

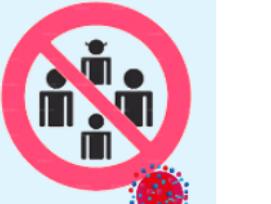

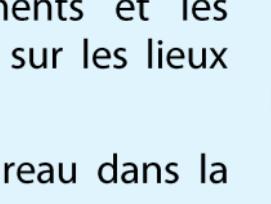

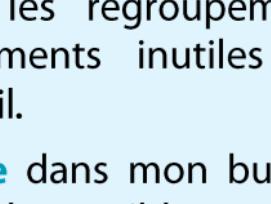

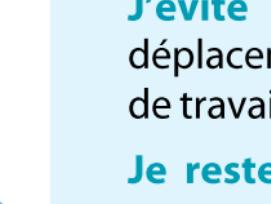

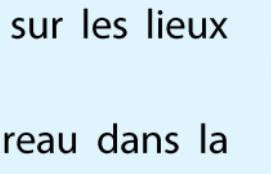

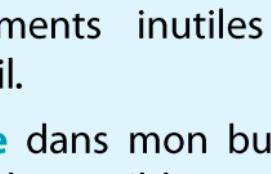

**J'évite** d'aller au travail si je présente des symptômes du virus ou je contacte une personne infectée ou présentant des signes du virus et j'informe l'Administration.

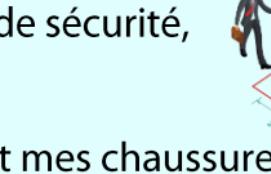

#### 2- Lors des déplacements

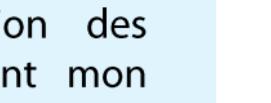

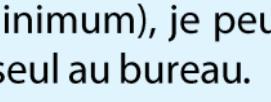

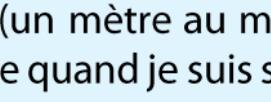

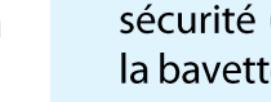

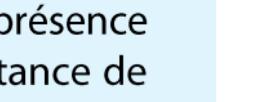

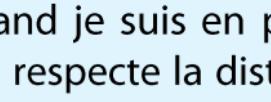

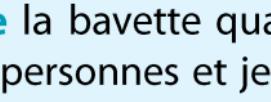

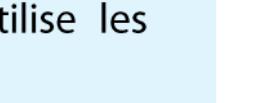

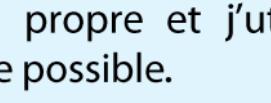

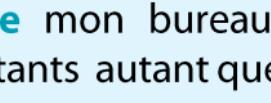

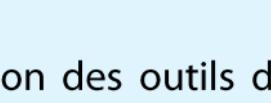

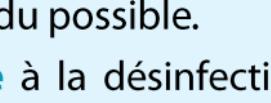

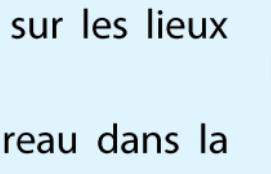

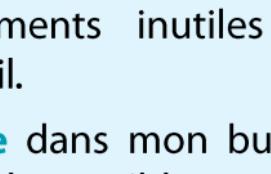

**Je mets** la bavette correctement, et des portes pour aérer le bureau au minimum trois fois par jour et pendant au moins 20 minutes.

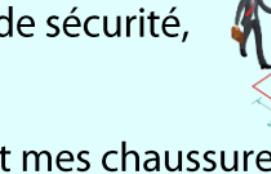

#### 3- A l'entrée de l'Administration

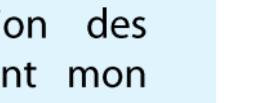

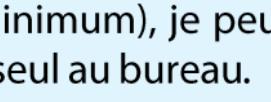

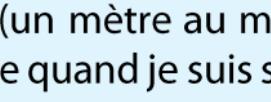

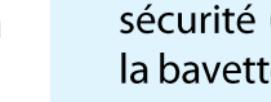

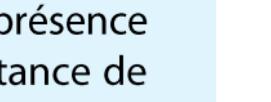

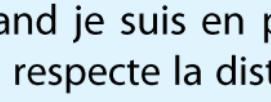

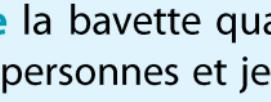

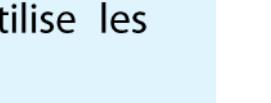

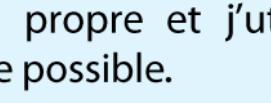

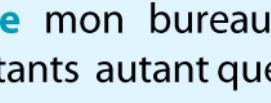

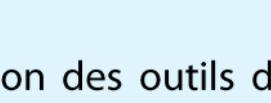

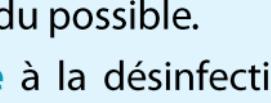

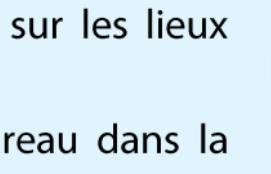

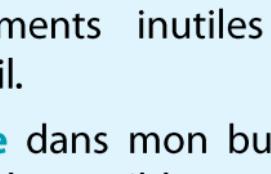

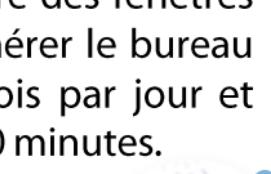

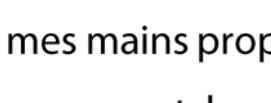

**Je mets** la bavette correctement, et des portes pour aérer le bureau au minimum trois fois par jour et pendant au moins 20 minutes.

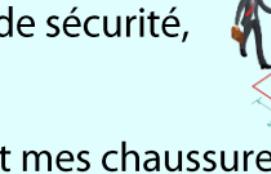

#### 4- Pendant le travail

**Je veille** à l'ouverture des fenêtres et des portes pour aérer le bureau au minimum trois fois par jour et pendant au moins 20 minutes.

#### 5- Lors des déplacements

**Je veille** à l'ouverture des fenêtres et des portes pour aérer le bureau au minimum trois fois par jour et pendant au moins 20 minutes.
